This is a Team Selection year for the 2012 World Championships. The top three competitors in the F5B league at the end of the year will be recommended to the SFTC as the team members for the following year. If any of those qualifying do not wish to be a team member, the place or places will be offered to other competitors in order of league standing, i.e. 4th place in the league is 1st reserve for the team the following year.

* You will need an FAI license to compete in the Eurotour event in F5B Open. These are available from the BMFA office.
